The Volleyball Academy is proud to present another summer of awesome volleyball camps. We have truly been able to see the results of these camps by the performance of players in the club this year. Our teams have already come away with two championships, two runner-ups and numerous top 10 finishes, and we are only half way through the season. We are looking forward to developing more players again this year as we strive to become the power house in Central Florida.

TVA Summer Camp is for all athletes from ages 8 to 14. Our awesome staff of qualified coaches will separate the players based on skill level so that every athlete can maximize their learning potential. We will cover individual skills such as spiking, setting, passing, and digging, as well as team skills like offensive and defensive systems. The camps consist of a lot of continuous, high level volleyball, so make sure your athlete is well hydrated, fed, and rested.

We hope you have a volleyball filled summer.

Sincerely,

Isaac Raphael
